

WOLFEBORO LIBRARY

Go Green Campaign

Tribute Information- The Greening of the Library

A tribute item is a beautiful way to honor those who believe in the ongoing growth of the library.

- A. Donate a large tree, medium tree, or other significant landscape items in your name or in honor of or in memory of someone.** Accompanying the tribute items will be a plaque embossed with your name or the honoree's name. You'll see the tribute language in the donation acknowledgment letter from the Foundation.
- B. Other tribute opportunities are available.** Please contact the Wolfeboro Public Library Foundation: president@wolfeborolibraryfoundation.org
- C. Donate an "Inspiration Step" (granite paver) for the "Inspiration Path."** These pavers will be placed in the path that circles around the wetlands garden. Each step will be engraved with an inspirational quote or a literary reference.
- D. Go Green Cards.** Plant a Bush, a Pollinator Plant, an Inspiration Step, or donate cash. Cards are available to send to friends and loved ones who you are honoring.
